## HISTORY

The first fiber optic & LAN cable producer in Kazakhstan

We follow the principles of proper quality of products and a high level of service – this is a business culture that every employee of the company cultivates, and which is crucial for the long-term success, both ours and our customers.

Due to LEAN KCEP is following the “Integrated Quality” system. Driven by the system all manufactured products are controlled at every stage of production.

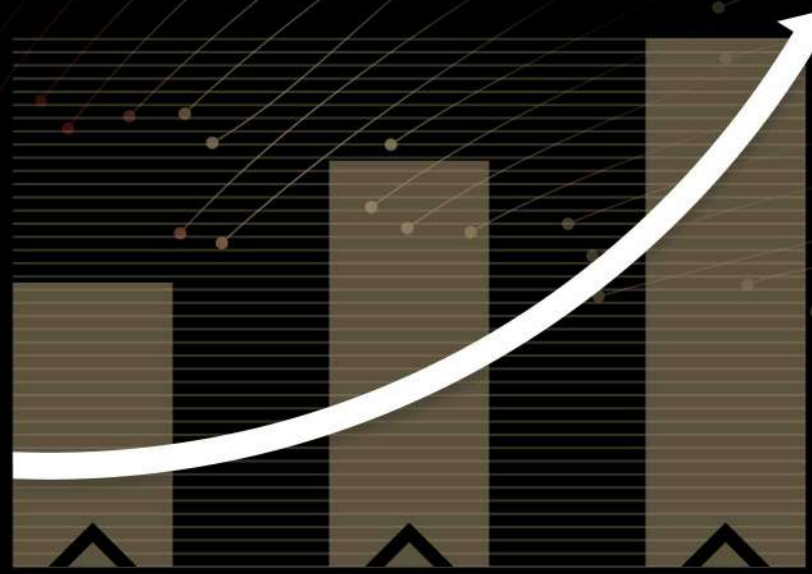

The quality of the final product is confirmed with test reports given by accredited testing facility and certificates of conformity. The ISO system was also implemented in the company.

## OUR CUSTOMERS

Since 2001 KCEP has been developing export activities and the first step was made on the Kyrgyzstan market. Today the geography of our export includes: Uzbekistan, Russia, Germany, Austria, Switzerland and England. During next few years we are going to start delivery of fiber optical cables to other European and CIS countries.

2022 export share > 50%

## OUR SUPPLIERS
